

UWELL

UWELL CALIBURN G4 MINI Pod System

(TPD/CRC, Basic Colors)

Mini Awesome.

CALIBURN G4 MINI

CALIBURN

Features

● Minimalist Design

-Lightweight, smooth, and portable. Comfortable to grab.

● Awesome Taste

- UWELL latest PRO-FOCS 4.0 flavor technology applied.
- An increase of 35% in cartridge lifespan and taste satisfaction.
- Up to 35W output power.

● Airflow Adjustment

Three simple but precise ways of airflow adjustment:

- Slide the airflow valve to adjust the airflow.
- Load the cartridge in different orientations into the body.
- Combine the above-mentioned two ways to adjust airflow.

● Cartridge & Compatibility

- Compatible with CALIBURN GPP cartridges (0.4Ω, 0.6Ω, 0.9Ω, and 1.2Ω).
- 2ml cartridge capacity available.
